About us

Present Time is a wholesaler, specialising in home decoration items - design clocks, lighting and small furniture. As a Dutch company with a Danish CEO, we have a surprising combination of Dutch design and Scandinavian style.

Our history

In the early 1980's, a small gift company called Kaleidoscoop started. Due to the success of this company it merged with Clockwork and they decided to combine their strengths under the name Present Time. In 1999 Present Time expanded by buying two other companies - Karlsson and Leitmotiv. Today these companies are still recognisable as brands of Present Time. Present Time continued to grow over the past decade and is now the parent company of the brands: Present Time, Karlsson, and Leitmotiv.

Our creative department travels around the world to surprise everyone with new collections that are presented in our catalogues twice a year.

The Spring/Summer catalogue comes out in January and the Autumn/Winter catalogue is launched in August. To keep you surprised and excited, a small range of products will be added throughout the year.

The Present Time Head Office is located in Almere, the Netherlands. Present Time is active all over the world, where you can find our products in the world's most famous department stores, but also in exclusive gift shops and online.

Designer Joyce van Krieken

"It makes me really proud that my design contributes to a good cause."

One out of seven women and some men get to deal with breast cancer in their lives. Unfortunately I am one of those women and there are more women close to me and my colleagues at Present Time who had or have to experience this. That is why we have decided to give 5 % of the proceeds of the Joy clock, a clock I designed for Karlsson, to Pink Ribbon.

Pink Ribbon is a foundation which supports the research of breast cancer, not only to cure, but also for prevention, personal treatment plans and quality of life. It makes me really proud that my design contributes to research.

In memoriam of Joyce
